

Working Prototype Known Problems Report

Product name: Porter Run

Team name: LargeSoda

Date: 07/23/2019

Not working correctly:

- Moving background
- Strange click input around name submit form box (It does not cause any error for the behavior)
- Player doesn't go to game over state when crash into Baddie #12
- Falling while holding down the right or left arrow causes clipping SOMETIMES into enemies.
